Baskervill Wins First DHS Coast Guard Contract

RICHMOND, Va. (December 3, 2009) – Baskervill announces it has been awarded a term contract with the U.S. Coast Guard serving the Mid-Atlantic region. This is Baskervill's first award with the Coast Guard.

The Indefinite Delivery Indefinite Quantity (IDIQ) contract can be engaged by the Department of Homeland Security (DHS) for a variety of services including general and marine construction, demolition, and historical restoration, repairs, and alterations.

"This is a great opportunity for Baskervill to continue its work in the government sector. We look forward to assisting the Department of Homeland Security and the Coast Guard through this contract," said Ray Trevillian, project manager.

Baskervill is teaming with general contractor Curtis Contracting, Inc. and engineering firm Clough Harbor & Associates as a design-build venture. The team is currently working at the Naval Reserve Center in Wilmington, De., and Ft. Eustis in Newport News, Va.

Baskervill, an international, award-winning, full-service architectural, engineering, interior design and sustainable design firm, delivers world-class services to a diverse client base that ranges from hospitality, corporate, healthcare, retail, financial and industrial institutions to Fortune 500 companies. Founded in 1897 and headquartered in Richmond, Virginia, Baskervill offers a rich history of ingenuity, integrity and technical expertise that has made them a premiere service provider across the country and around the world.
