## **Baskervill Awarded GRACRE Project of the Year**

*Richmond, Va.-Based Firm's Richmond International Raceway Project Awarded Project of the Year for Best Recreational/Entertainment Category*

**RICHMOND, Va., April 17, 2008** – Baskervill, an award-winning, full-service architectural, engineering and interior design firm, has been honored with the Greater Richmond Association for Commercial Real Estate's Project of the Year Award for the Richmond International Raceway Seating Expansion and Torque Club project in The Best Recreational/Entertainment category.

To accommodate the growing demand for tickets, Baskervill designed a grandstand seating expansion to house 7,843 additional seats and a year round state-of-the-art sports club, Torque Club, which includes outdoor seating, indoor dining, two themed sports bars, lounge, buffet and carvery, 80 HD flat panel TV's and programmable audio system.

### **About Baskervill**

Baskervill, an award-winning full-service architectural, engineering and interior design firm, delivers world-class services to a diverse client base that ranges from corporate, hospitality, healthcare, retail, financial and industrial institutions to Fortune 500 companies. Founded in 1897 and headquartered in Richmond, Virginia, Baskervill offers a rich history of ingenuity, integrity and technical expertise that has made them a premiere service provider in the Mid-Atlantic.
